Closure of IH-69 Southbound Lanes & Frontage Road

NEW CANEY, Texas – The Grand Parkway Infrastructure team continues to build two new bridges over IH-69 in New Caney, TX as part of Segment H of the Grand Parkway. During the overnight hours (8PM-5AM) of Tuesday, June 9, IH-69 southbound main lanes and frontage road (between SH-99 eastbound and westbound frontage roads) will be closed for bridge work. Detours will be in place for motorists traveling in the area. Please note that this activity is weather permitting and our team will continue to keep an eye on the forecast.

###

Attachment: Map

This work is part of the next stages of construction on the 184-mile Grand Parkway highway project. Work is currently underway on Segments H, I-1 & I-2, representing a 52.8-mile corridor spanning Chambers, Harris, Liberty and Montgomery counties, northeast of Houston, Texas. Construction of new lanes and the modernization of the existing tolling infrastructure will increase capacity and improve mobility. These segments of the Grand Parkway loop are expected to open Spring 2022. For more information on the SH 99 Grand Parkway Project Segments H & I we encourage you to visit the project's official website, www.sh99grandpkwy.com. GPI also shares updates on social media via Facebook (SH99GrandPkwy) and Twitter (@SH99GrandPwkwy).

**Tuesday, June 9
8:00PM - 5:00AM**

IH-69 southbound frontage road will be closed between SH-99 frontage roads and all IH-69 southbound main lanes will be closed. Detours will be put in place for motorists in the area.
